

## 260r/Min Jaw Stone Crusher Machine

### Basic Information

- Place of Origin: China
- Brand Name: Ascend
- Certification: ISO9001
- Model Number: PE200x300 PE220x350 PE250x400 PE400x600
- Minimum Order Quantity: 1 set
- Price: USD 1300-4000
- Packaging Details: Wooden box or put in container
- Delivery Time: 7-10 working days
- Payment Terms: T/T, Western Union, MoneyGram, L/C
- Supply Ability: 50 Sets per month

### Product Specification

- Name: Jaw Crusher
- Color: Optional
- Material: High Manganese Mn13Cr2
- Function: Stone Crushing
- Highlight: stone jaw crusher equipment, 260r/Min jaw rock crusher

## Product Description

### Jaw Crusher for stone, limestone, granite, and gold ore

#### Widely used high efficiency Jaw crusher

Jaw crusher is very easy to operate in the working sites. It adopts the principle of two jaw plates squeeze each other. It is usually used in the first step for a variety of ore rock crushing. And it often working in a complete production line with the cone crusher, impact crusher, or sand making machine. It is widely used in mining, building, transportation, metallurgy, chemical industry, and other fields.

#### Jaw crusher advantages

- 1.Simple structure ensures the crushing machine is not easy to break down.
- 2.Easy operation, which makes the crusher can be operated by common people.
- 3.High crushing ratio. Large stone lump can be quickly crushed into small particles.
- 4.Energy saving. The jaw crusher power amount is consumed less than other type of crushers.
- 5.Low cost, economically affordable.

#### Jaw crusher overview

Jaw crusher is one of the most common crushing equipment, mainly composed of moving jaw and static jaw. It is a crusher that simulates the two jaw movement of animals and completes the crushing operation of ores. Jaw crusher can be divided into two series according to different crushing method: PE series and PEX series. PE series jaw crusher is usually used for coarse crushing, PEX series jaw crusher is usually used for intermediate and fine crushing.
