

Portable Trailer Type Mobile Stone Rock Jaw Crusher Plant Machine

Our Product Introduction

for more products please visit us on mining-crushermachine.com

Basic Information

- Place of Origin: China
- Brand Name: Ascend
- Certification: CE/ISO9001
- Model Number: PE200x300 PE220x350 PE250x400 PE400x600
- Minimum Order Quantity: 1 set
- Price: USD 4800-38000 Per set
- Packaging Details: Water and rust proof in wooden box or cotainer
- Delivery Time: 10 working days
- Payment Terms: T/T, Western Union
- Supply Ability: 10 set per month

Product Specification

- Name: Mobile Crushing Plant
- Type: Jaw Crusher, Impact Crusher, Hammer Crusher
- Motor Type: Diesel Engine Stone Crusher Plant
- Material: High Manganese Alloy
- Application: Mining, Quarry, Stone
- Warranty: One Year
- Condition: New
- Model: PE400x600 PE500x700 PE600x900
- Highlight: Trailer Rock Jaw Crusher Plant, Mobile Rock Jaw Crusher Plant, Trailer Type Jaw Crusher Machine

Product Description

Mobile diesel engine stone jaw crusher crushing plant machine

Wheel type Mobile Jaw Crusher (Mobile jaw crusher plant) is equipped with the good-performance vibrating feeder and jaw crusher, which applies to crush the hard and high abrasive materials. There are several models of jaw crushers available to meet customers' requirements. The power engine can use elctric motor or diesel engine if the electricity is not available in the wilderness

Our Product Introduction

Mobile diesel engine jaw crushing plant description

According to the different crushing materials, we have the existing production, mobile jaw crusher, mobile sand making machine, mobile cone crusher, mobile impact crusher, mobile hammer crusher, mobile vibrating screen, etc. Depending on the driving method, we have rubber-tyred mobile crushing stations and crawler-type mobile crushing stations. Tailor-made solutions for you.

Here are the different mobile crushers we made according to different customer requirements. We can also make mobile crusher with diesel engine or generators, which can work in the wild environment where there is no electricity supply.

Mobile stone crushing plant specifications

Model	MZ3090E46	MZ3090E57	MZ9638E69	MZ1142E710	MZ1349E912
Jaw crusher	PE400*600	PE500*750	PE600*900	PE750*1060	PE900*1200
Vibrating feeder	ZSW300*90	ZSW300*90	ZSW380*96	ZSW110*420	ZSW130*490
Main belt conveyor	650*10 m	650*10 m	800*12m	1000*12m	1200*12m
Side-opening belt conveyor	500*2.7m	500*2.7m	500*2.7m	650*2.7m	650*2.7m
Magnetic separator	Optional	Optional	Optional	Optional	Optional
Number of axles	1	2	2	3	4
Transportation dimensions (mm)	8700*2450*3600	9400*2450*3650	12000*2450*3950	12000*2500*4500	13450*2750*4500

Performance Characteristics of Mobile Crusher

1. Mobile Crushing plant has good mobility, which can be extended with the raw materials or construction site and can be combined to meet the needs of different projects.
2. Mobile crushing equipment eliminates the tedious steel frame structure and foundation construction during crushing and saves a lot of time. It can quickly move to the site without transportation.
3. The installation form of structural integration unit eliminates the split components, complicated site infrastructure installation, and reduces the floor area, especially for crushing sites and construction waste treatment.
4. Modular and intelligent operation design makes one person can operate, work more stable, the overall output is increased, and complete specifications of different sizes.
5. Dual power drive makes free switching between commercial power and diesel, which help mobile crusher machine keep in good condition anytime and anywhere.

Mobile diesel jaw crusher plant delivery

According to the mobile crusher plant dimension and customer request, we can load the crusher plant into full container or put it in the bulk ship to reduce the transportation cost.
